Space.

GLOSSY
Collection

Story Board

Stone

Its colour, its subtle matrix texture and its surface are the distinguishing characteristics of the new Simonza Glossy Collection that is ideal for creating panels or covering whole walls of rooms, with the added beauty of decorations.

HIGHEST
STANDARD
IN QUALITY
AND
PERFORMANCE

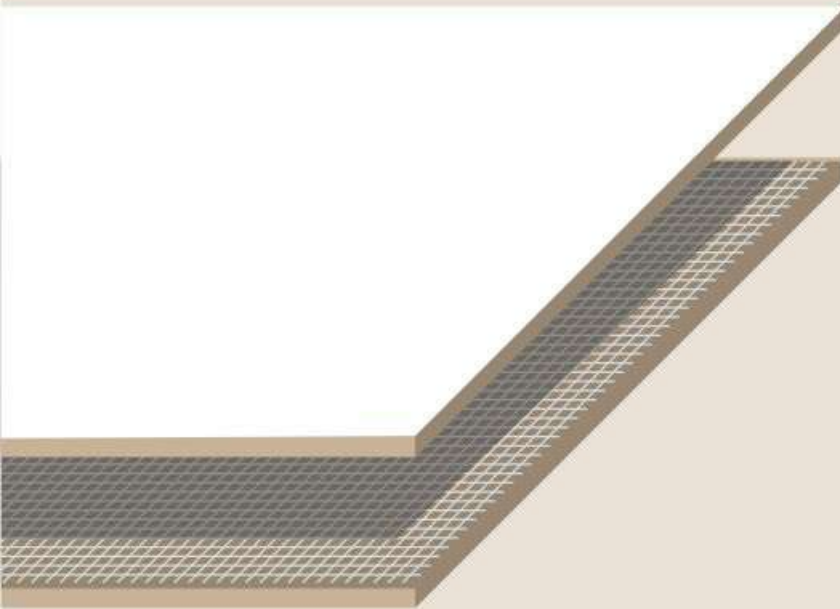

PURE AND FINE
RAW MATERIALS

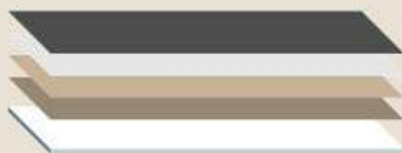

Makes 3 times
traditional machines.

High quality material
is used only, no impurities,
no recycled materials.
Refined raw materials
is the base.

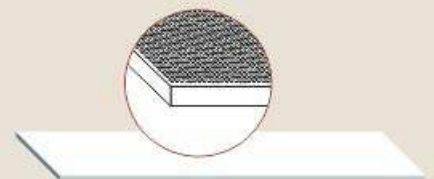

FINAL
PROCESSING
TECHNOLOGY

High quality depth
of graphic textures.

Surface can be found matt - shiny
and easily cleaned with
Anti - Bacterial properties.

High quality final
tiles output.

Maintain the color quality
whiteness of product.

Authentic Inspiration

Inspired from the finest form of architecture, design and art this collection is a justification of excellence we want to give our customers. It is an experience that consists of unrefined perspectives of natural textures of originality.

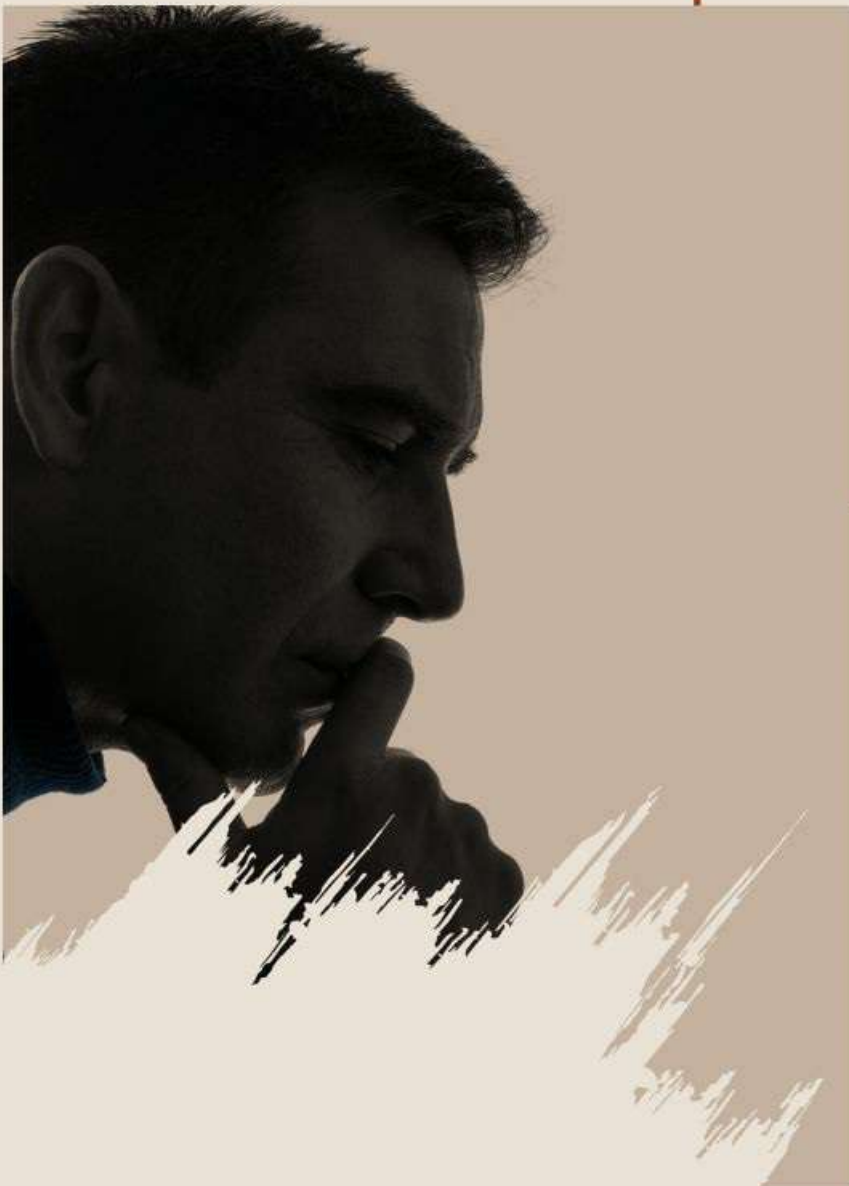

It is ideal for covering rooms designed to respond to different aesthetic solutions. Thanks to its size for outdoor surfaces, it is also ideal for creating a seamless installation pattern between indoors and outdoors.

Surface for Mood Board

Timeless material exhibiting the charm of natural stone in a technical ceramic surface with natural hues. It is contemporary interpretation of a material whose origins are deeply rooted within the history of architecture.
